

AMERICAN TOURNAMENT MONDAY 6TH APRIL 2009

This event was a Ladies Only but we had a couple of men to make up the numbers. There were 8 competitors and the strongest 4 were seeded to try to ensure that 2 strong players did not play 2 weaker members, this way all the games should be competitive. The theory worked in practice and praise must be given to the two seeded ladies Carol and Margaret who gained good scores even though they never partnered a man.

Each competitor played a total of 32 games and were on court for over 2 hours with a short break halfway through for coffee and biscuits. The overall result was in doubt and at the completion of the last game on match on court, Helen and Pam had tied for top spot with a creditable 18 games each, so an extra game was played to decide a winner, and Pam scraped through to win the **Easter Chocolate Bunny**.

David had the actual highest score but did not qualify for prize in a Ladies Event.

We are going to hold a similar event in May and hope to have a full squad of Ladies.
