

New event for 2009

The club has run 3 successful American tournaments using a seeding system which has produced good matches, and the results were in doubt right up until the final games were played.

These tournaments were either all ladies, or all gents and were quite easy to run. We will now run on **Friday 12th June** a mixed doubles based on the American format.

We are restricted to a max of 10 players - 5 ladies and 5 gents

An entry list is on club notice board
